Re: Software Developer (Entry Level)

Dear Hiring Manager,

My name is Justin Bartlett, and I am a University of Toronto graduate and current George Brown College student. I am applying for the entry level software developer position as posted on Glassdoor.

In the Programmer Analyst program in which I am currently enrolled, I have consistently earned a spot on the Dean's Honours list. I have achieved this by applying exemplary coding standards and core web principles in both Java and Javascript projects. I have had great success when working in a team setting that allows me to make use of my strong communication and collaboration skills.

I can be contacted either through email ([justin.bartlett@georgebrown.ca](mailto:justin.bartlett@georgebrown.ca)) or phone (416-909-1953). Thank you for considering me for this position, I look forward to hearing from you and I hope we have a chance to work together.

Sincerely,

**Justin Bartlett**
